Nature invented the scenery and BMW invented the means by which to enjoy it. BMW motorcycles will excite even the most discerning rider. BMW offers a wide collection of sports and leisure apparel that embodies the quest for perfection. The BMW Active Line is sharp-looking, yet comfortable, with quality in every detail of design and construction. BMW uses exceptionally durable materials able to withstand nature's untimely variations — wind, rain, heat or chill. And each garment must pass stringent performance tests before it ever reaches the BMW showroom.

**E**njoying the great outdoors on  
an incomparable motorcycle;  
having a terrific time with good  
friends — or all by yourself. Isn't that  
what riding is all about? Since BMW  
designers are experienced  
motorcyclists themselves,  
they know what counts.  
For casual comfort  
on or off-road, BMW  
designers are  
perfectionists in every detail.
