

YOU'RE NEVER TOO OLD FOR BRACES

San Jose BMW Fork Braces

Improving on the perfection that is BMW is fine tuning beauty... but we think a pair of San Jose BMW Fork Braces will make you smile too. The braces are designed to offer you that extra margin of stability in handling by keeping the lower sliders in perfect alignment with the fork assembly. By eliminating any flex in the front end you'll be able to maintain proper tracking around corners. Braces on perfection? At San Jose BMW we make great even better... and that makes us smile.

(Fits all 1974 and later BMW's).
