

BMW replacement mufflers ...at about 1/2* price.

These sleek megaphone replacement mufflers are designed to fit with saddle bags, and have the new chambered cores with reverse cones that use no packing.

The inner core exit is designed to blow the exhaust down away from the bags, a long awaited improvement for the touring rider.

* The amazing fact is, a retail savings of approximately 1/2 the cost of BMW factory mufflers. Our suggested retail price is *only* \$107.10. Order part #BR-101. (California residents add 6% sales tax.)

S&S offers you Performance and Quality at an affordable price. Send \$2.00 for our latest catalog.
